Parking restrictions

Almost every year one or two people receive parking tickets when visiting Bethany Hall on a Saturday evening, partly due to the varied times when parking is allowed in different areas around the Hall.

Normal parking bays and single yellow lines - free after 5.30 pm provided no obstruction is caused to buses etc. There are also many Residents' bays which vary in the times allowed to other people. Please check adjacent signs when parking to avoid being penalised.

In particular, the Residents' bay on the right hand side of North Street beyond Bethany Hall is restricted to Residents only until 8.30 pm.

Please also be aware that parking partly inside a bay and partly outside it is deemed locally to be an offence at any time, and that parking attendants are always active in Bexleyheath.
